
Supplementary Fig. 10. PCA plot. (A) 2D PCA plot of the expression level of all genes. (B) 3D PCA plot of the expression level of all genes. (C) 2D PCA plot of the expression level of DEGs. (D) 3D PCA plot of the expression level of DEGs. 2D, 2-dimensional; 3D, 3-dimensional; CON, control; VAD,vitamin A deficiency; PCA, principal component analysis; DEG, differentially expressed genes.
